In PROVINCIAL CONGRESS.

CHARLES-TOWN,

MONDAY JANUARY 16, 1775.

RESOLVED,

THAT it is the unanimous Opinion of this Congress, that no Action for any Debt should be commenced in the Court of Common-Pleas in this Colony, nor any such Action depending there, which was commenced since last September Return, be proceeded in, without the Consent of the Committee of the Parish or District in which the Defendant resides, until it shall be otherwise determined in Provincial Congress. That the said Committees respectively, or a Majority of such of them as shall meet (provided they are not less than three in the Country Parishes and Districts) DO, upon Application, give Permission for the bringing or proceeding on such Suits, in the following Cases, that is to say, where the Debtors refuse to renew their Obligations, or to give reasonable Security, or are justly suspected of Intentions to leave the Province or to defraud their Creditors, or where there shall appear, to the Majority of such Committee, as aforesaid, any other reasonable Cause for the granting such Permissions which Committees shall meet and sit on the first and third Saturdays in every Month, at twelve o'Clock at Noon, in the Country, or oftener if it shall be found necessary, for the Purpose of hearing and determining on such Applications. That Seizures and Sales, upon Mortgages, shall be considered on the same Footing as Actions for Debt. That it be recommended to the Committees for each Parish and District, that they use their best Endeavours to prevent any Debtors removing their Effects out of the Province, without the Knowledge and Consent of their Creditors. That the Congress will indemnify the Committees for so doing. And that no Summons should be issued by any Magistrate, in small and mean Causes, without the like Consent.

RESOLVED, That any Eleven Members of the Committee for Charles-Town, assembled together, be a sufficient Number to receive and determine upon Applications relative to Law Processes there.

TUESDAY, JANUARY 17, 1775.

RESOLVED,

THAT a strict Conformity to the Resolves of this Congress, be recommended to the Gentlemen of the Law who practise in the Country, as well as in the Town, in Regard to the Filing of Writs, and proceeding on Suits and Mortgages.

CHARLES-TOWN, JANUARY 23.

ON Monday the 9th Instant, the *thirty Deputies* to represent the Parishes of *St. Philip* and *St. Michael, Charles-Town*, in PROVINCIAL CONGRESS, were elected, by Ballot, under the Direction of the Church-Wardens of both Parishes, pursuant to the public Notice that had been given by the late General Committee: And on Wednesday the 11th, they, together with the Deputies that had in like Manner been elected, to represent the Inhabitants of every other Parish and District throughout the Country (many of whom had come from the most remote Parts) met at the Exchange, at Ten o'Clock in the Forenoon; and were the fullest and most complete Representation of the whole Colony that ever was, or perhaps ever will be obtained; for, of 184 Members chosen, no more than 11 were absent, and the Attendance of those prevented by Sickness or Accident.—As soon as all the Deputies, as aforesaid, were assembled at the Exchange, they unanimously chose Col. CHARLES PINCKNEY (Chairman of the late General Committee) to be their President, and adjourned to Mr. Vale's Long-Room, as a more convenient Place; where PETER TIMOTHY was, also *unanimously*, chosen Secretary to the Congress, and the List of Returns read. Here the Congress sat no longer, than till the Commons House of Assembly's Room could be got ready for their Reception; to which they adjourned at one o'Clock, and where they immediately entered upon Business, sitting from Morning till Night every Day (Sunday not excepted) in close and solemn Deliberation, till Tuesday last, the 17th in the Evening; when, after having formed several Regulations, and passed many necessary Resolves (most of which are to be made public) they adjourned, till Circumstances may require their being summoned to meet again.

As soon as the Committee, appointed for that Purpose, have *revised* the Journals, the Procedings of the said Congress will be printed, according to Order, in a Pamphlet.

In the mean Time our Readers are presented with a *brief Account*, of the most material Business that was transacted, viz.

They read, and approved of, the AMERICAN BILL OF RIGHTS, as framed by the Continental Congress.

They read, debated on, and approved, the ASSOCIATION entered into by the said Congress.—But there was a hard Struggle, to get a Vote passed, recommending to our future Delegates, to *offer* on the Part of the Inhabitants of this Colony, merely for the Advancement of the Common Cause, a Sacrifice of every Advantage we might derive from the Words "*except Rice to Europe*," at the End of the 4th Article of the Association, after the 10th of September next,—upon which there was a Question—the Congress divided—and it barely was lost.

They read, and *unanimously* approved of, the OCCASIONAL RESOLVES of the 10th of September, and the first, second, fourth and sixth of the 14th of October, of the Continental Congress.

They resolved, That their most grateful and cordial Thanks should be returned, by their President, to OUR DELEGATES to the late American Congress, for *their able and faithful Discharge of the high Trust that had been reposed in them.*—And those Gentlemen accordingly received that distinguished Mark of public Approbation of their Conduct.

They, by Ballot, RE-ELECTED the Hon. HENRY MIDDLETON, Esq; THOMAS LYNCH, CHRISTOPHER GADSDEN, JOHN RUTLEDGE, and EDWARD RUTLEDGE, Esqrs. to represent this Colony, at the ensuing Continental Congress, to be held at Philadelphia, or elsewhere, in May next, or sooner,—with full Power to concert, agree upon, direct and order such further Measures as, in the Opinion of the said Delegates, and the Delegates of the other American Colonies assembled, shall appear to be necessary, for recovering and establishing American Rights and Liberties, and restoring Harmony between Great-Britain and her Colonies.

They passed a Vote of Thanks, to all the worthy and patriotic Members of the late Continental Congress, *for their wise and spirited Exertions in Behalf of American Liberty.*

They passed the Resolve inserted in the first Page of this Gazette; and some others, which will be inserted in our next.

They chose Parochial and District COMMITTEES, to see that every Article of the Continental Association be duly carried into Execution—to receive DONATIONS for our distressed and suffering Brethren in the Town of Boston and Colony of Massachusetts-Bay—and to determine on Applications relative to Law-Suits; for which latter Purpose they are to sit, in the Country, on the 1st and 3d Saturdays in every Month, at 12 o'Clock.—[*The List of these Committees will be inserted in our next.*]

They established a Mode for making Compensation, by the Rice to the other Planters, &c. if Rice should continue to be exported to Europe after the 10th Day of Sept. next; and appointed Committees for that Purpose.

They resolved, That all the Vacancies which may happen on any Committee, shall be filled up by the Inhabitants of the Parishes or Districts respectively where they happen.

They presented the following Address to his Honour the Lieut. Governor, viz.

To the Honourable WILLIAM BULL, *Esq; Lieutenant-Governor and Commander in Chief, in and over His Majesty's Colony of South-Carolina.*

May it please your Honour,

WE His Majesty's faithful and loyal Subjects, the Representatives of all the good People in this Colony, now met in Provincial Congress, think ourselves indispensably obliged to address your Honour, for Redress of a Grievance, which threatens Destruction to the Constitution, and Ruin to the Inhabitants, of this Country; we mean, the long, and still continued, Disuse of General Assemblies; contrary, not only to every Principle of Free Government, but directly against a Law of this Province.

To enumerate all the unhappy Consequences which must follow a Denial of the Right of the People, to appear, frequently, by their Representatives in General Assembly, must be unnecessary. Your Honour, who has, as a private Person, enjoyed the Blessings of Freedom and good Government amongst us, can want no Information on that Head.

Taxes continuing to be raised and paid, and Laws to be executed, against the Sense of the People, are but a Part of our Grievances.

Mortifying as these Considerations are, the Causes are more so; but it, according to our best Information, no other than a Refusal of the House of Assembly to obey Ministerial Mandates, contrary to their Consciences, and subversive of the Rights of their Constituents; and his Majesty's Council, composed chiefly of Placemen, paying an implicit and servile Obedience to unconstitutional Instructions. Such Acts tend, immediately, to a total Abolition of Assemblies; for, if Freedom of Debate, and a constitutional Independance be denied to them, they cannot possibly be useful, probably they will become dangerous.

We forbear to trouble your Honour with Reasons, in Support of the Request which we now, as of Right, make, in Behalf of all the good Subjects of his Majesty in this Colony, that the holding and sitting of the General Assembly be no longer delayed, but that it be permitted to sit, for the Dispatch of public Business, as formerly.

We pray your Honour to be assured, that by this our humble Address, we do not intend to question his Majesty's Prerogative, of calling, proroguing and dissolving the General Assembly, but only to request, that this Power be exercised FOR THE GOOD OF THE PEOPLE.

By Order of the Provincial Congress,
CHARLES PINCKNEY, *President.*

In PROVINCIAL CONGRESS,
Charles-Town, Jan. 17th, 1775.

To which his Honour was pleased to return the following Answer.

GENTLEMEN,

I KNOW no legal Representative of the good People of this Province, but the Commons House of Assembly, chosen according to the Election Act, and met in General Assembly.—As Gentlemen of respectable Characters and Property in this Province, I acquaint You, That the General Assembly stands prorogued to the 24th Instant. I have always endeavoured to make the Law of the Land my Rule of Government in the Administration of public Affairs, and I shall not omit observing it in meeting the General Assembly according to the Prorogation; with whom I shall, under the Guidance of my Duty to the King and Zeal for the Service of the Province, do every Thing in my Power, that can contribute to the public Welfare.

WILLIAM BULL.

CHARLES-TOWN, *January 17th*, 1775.

They resolved, to recommend to all the Inhabitants throughout this Colony, to set apart Friday the 17th of FEBRUARY next, as a Day of General Fasting, Humiliation and Prayer; and that the several Ministers of the Gospel be requested to prepare and deliver Discourses suitable to the solemn Occasion.

They resolved also, That it be strongly recommended, to all the Inhabitants of this Colony, to be diligently attentive to learning the Use of Arms; and that their Officers be desired to train and exercise them at least once a Fortnight—the Necessity of which must strike every one, who considers the present defenceless State of the Country, ever subject to Incursions by Indians, &c. and who reflects on what may be the Consequence of the vast military Preparations which have for some Time past been making, at no great Distance from us, and that the Canadians are ordered to be armed, in a most unnatural Cause.

And they appointed a General Committee; who sat, for the first Time, on the 18th Instant, and chose the worthy President of the Congress for their Chairman, with the same Secretary as had before served: This Committee are to meet again next Wednesday, and after that, every Fortnight.

The Charles Town Committee, also chose the same Gentleman for their Chairman, on the 18th, and the Secretary, and they are to meet and sit every Thursday Morning 10 o'Clock, for the Purpose of receiving and determining upon Applications relative to Law Processes, Summonses, &c. beginning on the 26th Instant.

On Wednesday the 4th Instant put into this Port, in Distress, the Ship Dutchess of Gordon, Capt. Andrew Campbell, from Jamaica, bound for London.

The same Day about 70 Irish Passengers arrived here, in the Brigt. Betsy, Capt. Woodside, from Larne, to settle in this Colony.

On Sunday the 8th Instant, sailed with the Mails for Falmouth, His Majesty's Packet-Boat Le Despencer, commanded by Capt. William Pond.

On Tuesday the 10th Instant was held the Anniversary Meeting of the Charles-Town Library Society; when all the former Officers were re-elected, viz.

President. His Honour the Lieutenant Governor.
Vice-President. GABRIEL MANIGAULT, Esq;
Treasurer. THOMAS GRIMBALL, jun. Esq;
Steward. THOMAS EVANCE, Esq;
Secretary & Correspondent. JOHN COLCOCK, Esq;
Librarian. Mr. SAMUEL PRICE.

Last Thursday put into this Port, for Provisions and Water, the Ship Hope, Thomas Mitchel Master, from the Bay of Honduras, laden with Logwood, bound for London.

The Sloop Marsden, of and for New-York, from Hispaniola, laden with Molasses, Thomas Phillips, Master, was lost, in a violent Hurricane, on the 8th of December, upon the North Side of Long-Island, one of the Bahamas. The Vessel was instantly beat to Pieces, and two of the Crew perished. The Captain arrived here last Saturday, from Providence, in the Scooner Endeavour, Captain Moffett.

A French Brigantine from Port-au-Prince, for Marseilles, foundered at the same Time, near the same Place. Four of her Hands perished. The Rest, and Capt. Phillips's Crew were carried to Providence, by Capt. Dorset, where they met with the most hospitable and humane Treatment.

Capt. Phillips says, a French Scooner was also lost in the same Gale, upon Long-Island, and a Sloop from Hispaniola, belonging to Philadelphia, upon Ragged-Key, the Master of which (whose Name is not known) died, after the Vessel went ashore: And, that he is apprehensive, a Sloop which he was in Company with the Day before the Gale, from Hispaniola, of and for Rhode-Island, one Read, Master, is also lost.

Capt. Duncan M'Niel, of the Scooner St. Anne, out 35 Days from Jamaica, brought in his Vessel with only one Foremost Man and a Boy, besides Capt. Samuel Daily, a Passenger; having in Lat. 32, Long. 75, had 3 Men washed overboard, and received considerable Damage in his Sails and Rigging, in a very heavy Gale of Wind.

A Scooner from Little-River also came in last Saturday, the Master of which is said to have been washed overboard. He used to trade here to a considerable Amount. His Name was Williams, and the Vessel his own. If he has left any Friends, it would not be amiss, if they would look after and secure his Interest therein.

Since our last 4,947 Pounds of Indico have been exported, in the Snow Kingston Packet, for Bristol; 91 146 in the Ship Hayley, and 28,991 in the Hester, both for London; which makes the Quantity exported 1,038,267 Pounds.—There is at present but little of the best sort at Market, the Price of which continues to be 3s. 6d. to 3s. the Pound.—And the Price of RICE, is still 30s. per 100lb.

An ADDRESS to the Fair Sex.

LADIES, if your Daughters incline to write,
And in a free Corr'ſpondence they delight,
At Mrs. DAVIS'S, their Comp'ny I beſeech,
It's in St. MICHAEL'S-ALLEY where I teach;
From Nine to Eleven every Morn,
Their pliable Minds I'll ſtrive to adorn;
By Advice adopted t' their tender Years,
Both mild and pleaſing to diſpel their Fears;
Thus, raiſe a noble Ardour in their Breaſt
To be learn'd; and of a gen'rous Soul poſſeſt,
Which internal Accompliſhments inſpire,
Exalt'd Ideas! ſoaring higher! and higher!
Such noble Conceptions in their Minds,
Spurn Vice! Virtue free Admiſſion finds.
The Frowns of Fortune can't ſuch long diſtreſs,
They'll always find ſome Comfort in their Breaſt.
So that a Tutor's moſt material Part,
Is to make good Impreſſions on the Heart
Of their Pupils; notions they then imbibe
Seldom are eras'd, or ever laid aſide.
Critic, hark! I'm no Poet! be at Peace,
I have not wrote to you, it's to your Niece;
It's the Ladies' Approbation I implore,
In obtaining that I deſire no more.
BEN. WALLER.
